

```
hittable_list::hittable_list
```

A diagram illustrating a pointer relationship. On the left, a gray rectangular box contains the text `hittable_list::hittable_list`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `hittable_list::add`. Both boxes have a black border.

```
hittable_list::add
```
